

Fruiti Vits™

Description

A food for special medical purposes.

FruitiVits™ is a low carbohydrate, powdered vitamin, mineral and trace element supplement. With sweeteners.

Indications

FruitiVits is for use in the dietary management of conditions requiring restricted therapeutic diets from 3 to 10 years of age.

Dosage and Administration

To be determined by the clinician or dietitian and is dependent on the age, body weight and medical condition of the patient.

Preparation Guidelines

Dissolve each sachet of FruitiVits into a minimum of 60ml water / permitted fluid.

Pour a minimum of 60mls of water into the beaker.

Add the contents of the sachet. Secure lid and shake well for 10 seconds.

Consume immediately.

IMPORTANT NOTICE

Must only be used under strict medical supervision.

Suitable from 3 to 10 years of age.

Not for use as a sole source of nutrition.

For enteral use only.
